XT20 21W 2000 Lumen LED

The XT20 is designed around the Xicato™ LED remote phosphor module. This module produces an even field of illumination for the most demanding applications. The XT20 is ideal for museum and retail lighting where a low wattage, high output LED fixture would be required. Xicato™ LEDs exceed ANSI specifications by maintaining tight color consistency over the life of the LED module.

5 Holt Drive, Stony Point, NY 10980 845-947-3034 info@tslight.com

The XT20 is available in standard black, white, or silver finishes. Custom colors are available upon request.
