DUNE FC LED Landscape Light

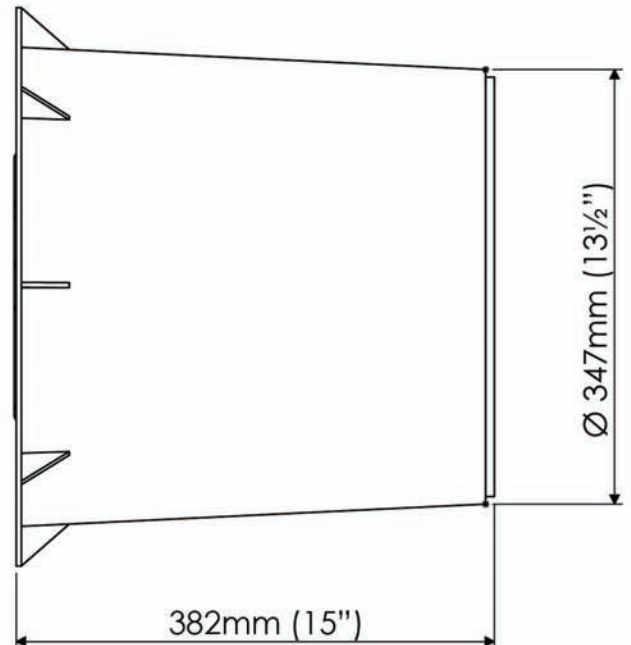

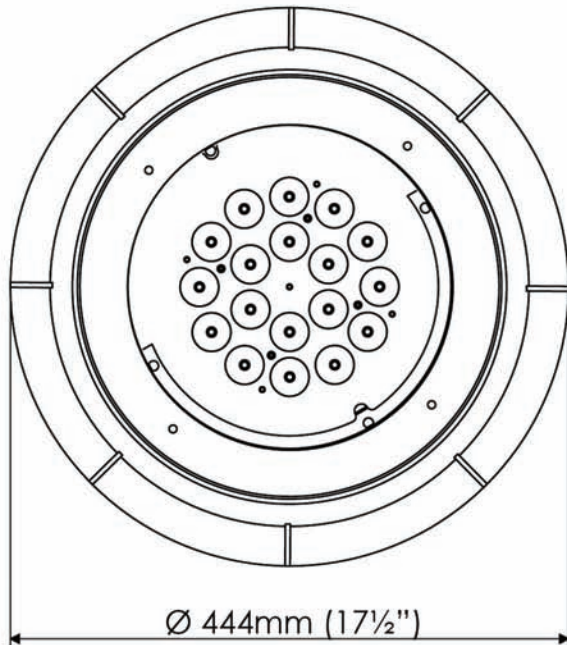

The Dune FC is a powerful 3W full-color LED landscape light, specifically designed for exterior recessed applications. The advanced electronic color mixing system, using high-power LEDs gives a powerful and even palette of attractive pastel or deep colors, that can cross-fade slowly or change in a snap.

The Dune FC features an IP67 weather protection rating and its 4400 lb. dead-weight load capacity makes it suitable for ground mounting applications even in areas with vehicle traffic. This versatile fixture also allows beam positioning through 10° moving capability. Various models are available with different beam angle options including an asymmetrical set-up.

Features:

- 18 high-power, 3W, full-color LEDs
- Long-life, 100,000 hour LEDs
- IP67 weather protection
- 4400 lbs. load rating
- Die cast aluminum top ring
- Scratch resistant 100% polymer black finish
