

Selador™ Series from Times Square Lighting

VIVID™

* Two Cell unit shown with optional yoke kit

The Selador Series high power Vivid fixture is ideal for stage and studio lighting and can be used anywhere strong color and high intensity is required – producing the widest range of spectrally balanced saturated and tinted colors that lighting designers love. Vivid uses the x7 Color System™ to provide the deepest, purest colors teamed with high-power LEDs for incredible color punch. While maximized for high-brightness, deep color output, Vivid does not give up Selador Series' unique ability to match warm, tungsten white light, vibrant daylight white, and soft, tinted gel colors.

Features:

- 2.5W color-mixing LED fixture
- Available in 11", 21", 42", and 63" lengths
- Rugged all-metal extruded housing
- Easy-access slots for secondary lenses
- 50,000 hr. LED life
- Color rendering as high as 90 CRI
- 100VAC to 240V 50/60 Hz universal power input
