Stage Cage by Times Square Lighting

Stage Cage

Ideal for school cafeterias or gymnasiums that serve as an auditorium for school functions, otherwise known as cafetoriums. The Stage Cage is used to protect fixtures from student activities allowing the end user the ability to use spaces otherwise not available due to safety issues. Hinged access for lamp change and maintenance. Each Stage Cage is custom made to order. Units can be provided with a theatrical connector or pipe. Please consult TSQ for options, fixtures and dimming.
