Color Mixing - Tunable White

The Mosaic Pendant is a sleek, architecturally styled fixture with a dramatic full color output. It also features tunable white from 1800K-8000K and high CRI. Rich blues, ambers, reds, violets and greens can be added in gradients or can completely saturate the output of the light. Interchangeable reflectors allow beam angles between 10° and 60°. This fixture will modernize almost any hospitality space, including restaurants, hotels, nightclubs and bars.
