

TLO010 BELMONT

6° NARROW BEAM

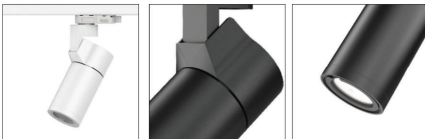

The Belmont 6° track head is a stylish and compact LED fixture that is ideal for museums, restaurants and store windows. The optical accessory kit allows you to alter the beam spreads from square, oval, rectangular and diffused within seconds. The integrated driver gives this unit a nice clean look at the ceiling line.

FEATURES

- Stylish and compact design with integrated driver.
- Very narrow beam 6° with quality light distribution.
- Simply adding optical accessories, the light shape can be changed to a square, rectangle, or a linear.
- Privately-designed joints can hold the lights at any positions without malfunctions.
- 360°+ rotation without dead angle and 90° vertical aiming.

CONSTRUCTION

- Aluminum housing with black, white, or silver finish
- Weight: 2 lbs.

Compact design with clean and sleek appearance.

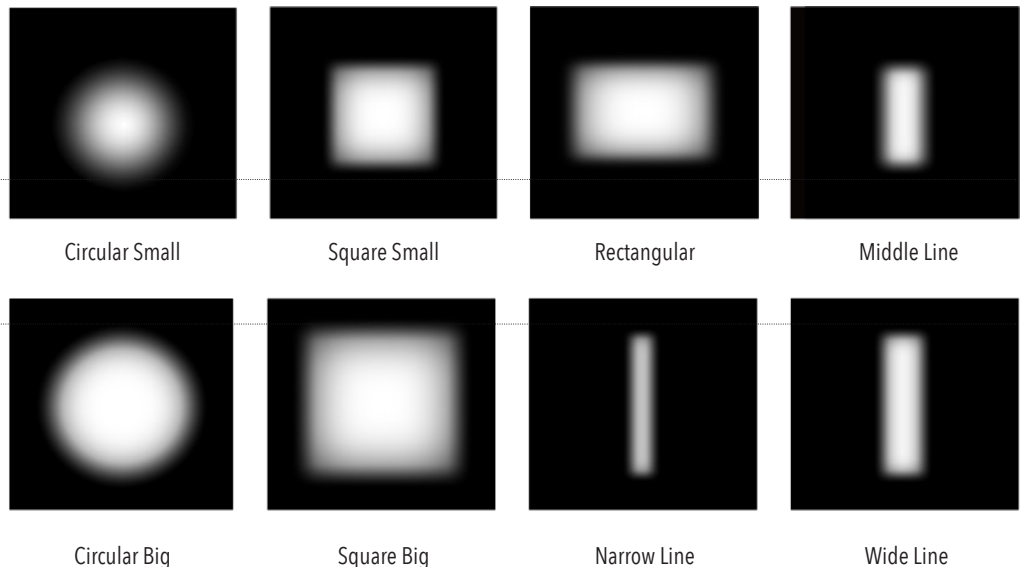

Very reliable joint.

Variety of optical accessories.
