

PRISM PROFILE CW IP

300W COOL WHITE IP PROJECTOR

The Prism Profile CW IP is an IP65 rated ellipsoidal featuring a 300W cool white LED and a zoomable lens tube. It is designed for theatrical and outdoor applications where high-definition lighting is needed. The DMX controlled lens tube can be adjusted from 15-30 degrees and also features an automatic zoom and focus for crisp gobo projection. Its high quality die-cast aluminum housing allows it to stand up to any environment and also features a fan-less passive cooling system to ensure silent operation.

APPROVALS

- CE, ETL, FCC, BIS, RoHS

FEATURES

- 300W Cool White LED
- 5600K Color Temperature
- IP65 Waterproof rated
- Fan-less Cooling system
- Optional Gobo and Iris
- LCD touch screen (RDM / DMX)

ELECTRICAL

- Voltage: AC100-240V
- Maximum Power: 300W
- Working Temperature: -10°C~40°C
- Cooling System: No fan no noise
- Thermal Sensor Monitoring:
Over-temperature Protection
- IP Grade: IP65 waterproof

LIGHT SOURCE

- LED Power: 300W
- LED Color: 5600K Cool White
